

Hi, my name is Mica Horton

I'm an LAHS student living in the Bay Area who loves to code. This website is a tribute to all the projects I've done. Check out my projects/blog or learn more about me at:

GitHub

Stack Overflow

LinkedIn

Languages I Know

In order of most experience to least.

- HTML, CSS, JavaScript (with the React framework)
- Python
- Node.js
- C++ (mainly in the context of Arduino)
- Pascal

Events I've Gone To

- LAHS Hacks IV
- Superposition Hacks IV (*see project*)
- Bay Area Science Festival
- NIMBLE Youth Innovation Showcase

Other Achievements

- President of Adventure Club, the hiking and camping club focused on going outside even though staying home and programming is fun too. (See our Instagram @lahsadventureclub.)
- Passed John Hopkins Center of Talented Youth Assessment
- Received Challenger Merit Scholarship
- Studied Spanish for 4 years, currently enrolled in SPAN 5. Received the silver medal for the NHS Spanish exam.
- Has completed 20 service hours volunteering at the local TV station (the KMVT) as a cinematographer.
